

February 1, 2017

*Guess what? What Mrs. Jacobs? It's time to register for your 2017-18 school year!

We are truly blessed with the families that make up our Viking Village and are hopeful that you choose to stay with us. Enclosed, you will find your Returning student registration and Tuition and Policy contract. The due date for both of these papers and registration fee of \$150 is February 16th.

*Our Open House Admissions Event was a success last night. We are forever grateful for your referrals and support. If you hear of a family who is interested in our school, but was not able to make it to our event, please have them call and we can set up a personal tour, (801-295-5341). Thank you for the referrals. We already have a few families who will receive \$150 credit toward their 2017-18 Tuition; keep them coming!

We are half-way through our Catholic Schools Week Celebration! Parents have many reasons to send their children to Catholic school. If you are still thinking of referring someone to our school, please see the attached: Top Ten Reasons Why You Should Choose a Catholic School! I know that my children received a well-rounded education...they earned scholarships to colleges of their choice. They both continue to do community service. They continue to live out the strong Faith and Values that they developed as students at Saint Olaf Catholic School.

*EDP Statements are enclosed in your Brown Envelope. Please Remit by February 15th. *Please note that EDP payments need to be separate from Registration Payments for accounting purposes.
