

February 15, 2017

Dear Parents,

*Thank you all for attending our very first Spirit Day at Chick-fil-A last Monday. I certainly had a wonderful time visiting with families and eating chicken! The manager at Chick-fil-A said that they have never had so many customers on a Monday! It was indeed a success. Your purchases earned the school \$370. I would especially like to thank HSA president Annie Yates for coordinating and working the event.

*This is a reminder, returning student registration forms are due TOMORROW, February 16th. There is a \$25 late fee if turned in after this date. If you have questions concerning registration, please feel free to contact me. Don't forget to refer a family! You can receive credit toward your tuition!

*Congratulations to 6th grader Maddie Keith. Her Diocesan Science Fair entry, "The Mobile Impact: Why People Should Park their Cars" won FIRST place in her category, Environmental and Earth Sciences. She will now compete in the Salt Lake Valley Science and Engineering Fair in March, good luck Maddie!

*Thank you to all of the wonderful parents for organizing and running the Valentine's Day Parties for your children's classes. I know that the kiddos had a wonderful time spreading the LOVE!

*EDP payments are due today, February 15th.

*Lifetouch will be here next week, (Feb. 22) for class pictures. Please find the flyer in your Brown Envelope.
