Parents will be notified if or when a child runs low on supplies. At the beginning of the year Mrs. Romney will be asking for a few plastic and paper supplies for the classroom.

Instead of backpacks, students will be decorating a bag at a "Pre-Kindergarten Meet and Greet" before school starts. These required bags will be used daily by the children. These bags can be purchased from Mrs. Romney (in August) at a very minimal cost. Commercially purchased backpacks are not allowed, but they can be used for transporting snow clothing in the winter.
