FACTS is a third-party agency that will compute the need of each family and submit a recommendation to St. Olaf on the amount of tuition that can be afforded by that family. If you have children in other Catholic schools, only one application is necessary and the fair share tuition will be coordinated between the schools. In order to be considered for Fair Share tuition, income information from **both** parents is required.

***Families who receive Carson Smith funding are not required to pay additional monies for services provided.**

After July 1, 2018, no portion of any paid tuition or tuition due will be refunded or cancelled in the event of absence, withdrawal, or dismissal from school.
