

Emergency Packets

In case of a community or city-wide emergency or natural disaster during school hours and your children are unable to leave school grounds, we as the Home and School Board want to help our school be prepared to meet our children's need during that stressful time until they are able to be released to their guardians. Please have each student return this Ziploc bag to school during the first week of school filled with these suggested emergency essentials OR with \$3.00 for the Home and School board to provide these items for you.

Items:

A juice box or small water bottle	A hand warmer (Provided by the school)
A granola bar	A solar blanket (Provided by the school)
Beef jerky	Plastic fork (Provided by the school)
Fruit snack, fruit leather or hard candy	

At the end of the year, if no such emergency happens, these items will be eaten by your students during a fieldtrip or returned home. Please write your child's full name and teacher's name on the outside of the bag. Thanks for your involvement and support of our school!
